

## Substance Use Treatment Services

# SYSTEM ALERT

Date: October 21, 2020

**TO: All ASOC & YSOC Providers**

**TOPIC: Outpatient TB testing**

---

Outpatient TB skin testing will resume on Monday, October 26, 2020 for those patients in residential treatment and THUs who do not have a primary care provider. Capacity will be 10 patients per day.

This clinic will operate on Monday (for placement) and Wednesday (for reading) from 9 am – 10 am at Alexian Health Center, located at 2101 Alexian Drive. Please call 408.272.6073 to see if capacity has been reached for the day.

Patients will be required to have their temperature taken prior to testing by our staff, wear a mask and be socially distant at all times, with the exception of when they are seeing the nurse.

If a patient is noted to have a temperature greater than 100.0 F, they WILL NOT be seen and will be referred to the appropriate primary care clinic. As this is a County of Santa Clara Policy, NO EXCEPTIONS WILL BE MADE.
