

## Peer Support DesignWORKGROUP REPORT

**Project Manager:** Jennifer Jones also included is the Board & Care Improvement Project

**Aim:** In this ongoing consumer operated workgroup, we will work collaboratively with PQIC as a team to tailor a system overhaul. We will effectively provide consumer input into a person centered integrated system.

**Membership:** David Sisson, Lorraine Zeller, John Hardy, Donald Farrell, Justin Crutchfield, Hussain Rahim, Karen Flink

**Reporting Period:** From: 2/7/2013 To: 3/15/2013

### **1. Update (accomplishments; successes; milestones, be sure to include progress toward goals)**

- In February 2013 did a brief version of a charter using a TCP format.
- March 13, 2013 discussed format of biographies of peer support staff across the system, we want it to be brief, strength based and recovery focused, we did biographies of the staff at the table.
- We reviewed the B&C Improvement Project successes. They have had many Residents's Rights Workshops throughout the county. Lorraine Zeller & Jennifer Jones met with Gabby Olivarez & Margaret Obilor and Community Care Licensing. John Hardy, Lorraine Zeller, Gabby Olivarez and Margaret Obilor met with B&C Operators in their meeting and told them about the Board & Care Improvement Project & their objectives and aim.

### **2. Change of course (barriers, risks, questions)**

- Need to see a computer version of CIOM, spoke with Narvaez clinic manager Dinh Chu and he referred us to Karin Kalk to get a web based copy somehow. We only have the paper version and it is hard to evaluate the effectiveness of it.
- We still would like membership of consumer peers from other CBO organizations. Right now we have a representative from Catholic Charities and 7 representatives from the county. We would like 2 to 4 more members from outside agencies. We meet 2<sup>nd</sup> Wednesdays of the month from 3 to 5.

### **3. Response from SOC or PQIC (Meeting Date: April 4, 2013)**

- Approval to continue course of action
- Approval for change of course
- Request for more information
- Declined
