No: 2020-4

Data: June 9, 2020

SUBJECT: Public Health Department – COVID 19 Requirements, Guidance & Strategies for Facilities in Santa Clara County

The Santa Clara County Public Health Department (SCC PHD) issued a memo that covered COVID mitigation guidance for a range of residential service providers. Residential providers covered by the SCC PHD includes SNFs & other long-term care facilities, assisted and independent living facilities, residential and crisis residential facilities.

Highlights of the guidance were discussed by Michelle Ho, SUTS Adult Services Division Director, at the June 8, 2020 IP meeting. The complete SCC PHD memo is attached to this bulletin.
